School Opens on Wednesday 4th September at 8.30am**

Dear Parents and carers,

As we finish school today we wish a restful and happy holidays to all in our community. It has been a busy but very successful year. We are proud of the pupils and staff for our excellent Ofsted outcome. It is wonderful to have the work of the school recognised in this way. During the holidays many of our children may increase their screen time and it is important that we ensure they stay safe- please see the poster with helpful hints on how to do this over the summer.

I also attach a letter from our chair of Governors, Tom Tamplin. He invites all parents to give what they can to the Governors' fund so we can continue with our commitment to provide the very best environment and education to the children in our care. We are excited at the prospect of being back in the refurbished Year 5 building in September and are particularly proud of the pupils for their resilience in the face of the setback of the temporary classrooms.

We are so lucky to have such a supportive school community and we really appreciate your fundraising efforts- particularly with school budgets being so tight. Your fundraising in the past has provided enrichment curriculum activities such as visitors to the school, workshops and helped towards to cost of coaches which are now very expensive. The children really enjoyed the recent Summer Fayre and we would love to have more events where our community could come together in this way. Every parent is considered a member of our PAF and we are now calling for any parents who would like to volunteer to be part of the central Parents and Friends Team. **If you think you could spare a few hours to support the school PAF please contact - [reginacoelipaf@gmail.com](mailto:reginacoelipaf@gmail.com)**

Before September many of you will be buying new school uniform- I attach the uniform list as a reminder of the school uniform and ask that all parents follow it. This is a way of strengthening our common identity as part of the Regina Coeli family. By wearing the correct uniform we show our respect for our school and our values.

We make a particular request for parents to provide school shoes- not trainers-and an appropriate school bag. You do not need to buy the Regina Coeli backpack but it does need to be a plain dark colour. We are seeing too many bags that are really best kept for the weekend - including those with bright colours, sequins and tassels.

Thank you for a wonderful year together and we look forward to welcoming everyone back in September, refreshed after the summer break.

*Best wishes the leadership team,*

*"Where there is Love, there is God"*

Jesus saw crowds of people approaching and he said to Philip, “Where can we buy some bread for these people to eat?” He only said this to test Philip; he himself knew exactly what he was going to do. Philip answered, “Two hundred denarii would only buy enough to give them a small piece each.” One of his disciples, Andrew, Simon Peter’s brother, said, “There is a small boy here with five loaves and two fish; but what is that between so many?” Jesus said to them, “Make the people sit down.” There was plenty of grass there, and as many as five thousand sat down. Then Jesus took the loaves, gave thanks, and gave them out to all who were sitting ready; he then did the same with the fish, giving out as much as was wanted until everyone was fed.

The Holiday Activities and Food (HAF) programme returns for the Summer 2024 holidays. Croydon Council is working in partnership with over 50 local organisations to provide FREE holiday activities and food for children who are in receipt of **benefits-related Free School Meals**. An email or text message has been sent out from Holiday Activities [hello@holidayactivities.com](mailto:hello@holidayactivities.com) which contains a voucher code. If you are unable to locate this email, please check your junk mail. Spaces on the HAF programme are limited and pre-booking is essential. All bookings must be confirmed using the HolidayActivities online platform using your voucher code, one for each eligible child.
