"It is in the human heart that the kingdom takes root and grows." Pope Francis

Dear Parents and carers,

Thank you to those parents and carers who were able to join us for two beautiful Celebrations of the Word this week. St Rose class left many of us teary-eyed with their beautiful singing remembering their fathers ahead of Father's day this Sunday. St Michael class reminded us that even the smallest kind action can help build God's Kingdom here on Earth.

The leadership team attended a wonderful Mass of Thanksgiving for retired Head Teachers this week, celebrated by Archbishop John Wilson. It was lovely to see Mrs Frances Hawkes, our previous EHT receive a special certificate and medal in recognition of her contribution and service to education.

Congratulations to those pupils at St Dominic's Parish who celebrated their first Holy Communion this weekend– a very special Mass and day for those children and their families.

Hoping the rain holds off for all the lovely parties!

Best wishes, Mrs Christoforou

Jesus said to the crowds: "This is what the kingdom of God is like. A man throws seed on the land. Night and day, while he sleeps and when he is awake, the seed is sprouting and growing; how, he does not know. Of its own accord, the land produces first the shoot, then the ear, then the full grain. And when the crop is ready, he loses no time: he starts to reap because harvest time has come." Then Jesus said, "Here is another example of what the kingdom of God is like. It is like a mustard seed which is the smallest of all the seeds; yet, once it is planted in the ground, it grows into the biggest shrub of them all and puts out big branches so that the birds of the air can shelter in its shade." Using many parables like these, he spoke the word to them, so far as they were capable of understanding it. He would not speak to them except in parables, but he explained everything to his disciples when they were alone.

Well done to all the children who attended the Sutton Catholic Schools Alliance Athletics Event on Friday. We came second out of four schools and the staff were so proud of our children's perseverance and resilience. It was great to see the children competing with many of them winning their individual events but the best part for me was listening to the children cheering their fellow Regina Coeli team mates on! A big thank you to Miss Given, Mrs Storey and Mr Stopani for supporting the children. I should also add a special thank you to Mrs Guilmartin-Cole who was very encouraging for some of our long-distance runners— A super afternoon all round!
