Dear parents,

I would like to start by saying the migration to Google Classroom has been really successful. All classrooms are now receiving lesson content on this platform and subsequently we will no longer be posting lessons on Google Drive.

You will have noticed from our school website that we are now open for some Year 6 and Reception pupils in addition to our Key Worker children. Therefore, in this second phase of wider opening, we have developed a team approach to support the pupils in school and providing online learning. As a result of this you may see different members of the team responding and posting to work in the classrooms and this may not be your child's regular class teacher.

Thank you for all of the wonderful work that the children have been doing so far and we look forward to seeing you all soon.

Kind regards

Charlotte Guilmartin-Cole

Deputy Head Teacher (Curriculum & Assessment)
